

<b>Red + 2</b> 660 & 850 nm Includes the benefits of Red AND Near-Infrared! <i>Output (high) = ~165 mW/cm2</i>	<b>Red</b> 660 nm Unparalleled Acupoint Activation & Pain Relief <i>Output (high) = ~100 mW/cm2</i>	<b>Amber</b> 590 nm Anti-Aging & Skin Repair <i>Output (high) = ~57 mW/cm2</i>	<b>Green</b> 550 nm Emotional Relief and Oxygen Release <i>Output (high) = ~35 mW/cm2</i>	<b>Blue</b> 470 nm Anti-Microbial, Cooling Heat & Inflammation <i>Output (high) = ~75 mW/cm2</i>
 Penetrates muscle, bone, brain ~ 5 - 10 mm Deeper penetration of the benefits from Red Light Increases deep circulation in larger vessels Reduces inflammation & pain relief at a deeper level Increases cellular detoxification Speeds wound healing Stimulates production of connective tissue Reduces scar tissue formation Regenerates nerves Improves brain function Improves cell wall permeability Increased ATP production Increased cellular metabolism	 Penetrates fascia into muscle ~ 4 - 6 mm Activates acupoints Lowers pain & reduces Inflammation Anti-viral Speeds wound healing Increases nerve function Opens lymph drainage Stimulates hair follicles Repairs skin damage (acne, scars, burns, sunburn) Increases collagen production reducing wrinkles Modulates body temperature Restores cellular function Increases nitric oxide production	 Penetrates into skin ~ 5 - 2 mm Reduces wrinkles and fine lines Reduces redness & rosacea Improves uneven coloration Reduces tiny blood vessels on face Increases subdermal lymphatic flow Breaks apart dermal scarring Soothes and repairs surface nerves Repairs sun radiation damage Supports development of new skin cells Soothes and repairs eczema / psoriasis Stimulate red blood cell production Awakens mental inspiration	 Penetrates capillary beds ~ 3 - 5 mm Relieves headache & migraine Releases free oxygen from hemoglobin Soothes nerve pain Reduces redness Regenerates tissue Improves skin around eyes Reduces pigmentation lightens sun & brown spots Calms the nervous system Soothes, cools, and reduces redness Provides emotional relief Regulates melanin production Kills the bacteria that causes acne	 Penetrates skin ~ 1 - 2 mm Reduces topical pain Highly anti-microbial Helps with acne Calms the nervous system Elevates mood Energizes the brain Cools tissues and nerves Lowers headaches Regenerates skin Anti-aging Soothes skin irritation Reduces itching
